EARNINGS AND PAYMENT

Participants will be paid the current minimum wage and may work enough hours to satisfy the County portion of their taxes up to a maximum of \$350. The County will determine the number of hours for which each Participant is eligible to work. The actual number depends on the amount of Gilpin County property tax the Participant owes (County portion), current minimum wage, and the type of services desired by Gilpin County.

The County does not guarantee work hours or the completion of work hours.

How Program Earnings May be Applied: For participants who do not use a mortgage company to pay taxes, the Treasurer’s Office will apply the amount earned to their current tax bill, COUNTY PORTION ONLY. The Participant is responsible for checking their own account for any remainder owed to the Treasurer’s Office by the appropriate deadlines, and may access that account by calling the Treasurer’s Office at 303-582-5222 or visiting <http://gilpin.visualgov.com>. For Participants who do use a mortgage company to pay their taxes, after June 15th the Treasurer will issue the Participant one check, for the amount earned. Due to complications that arise with the timing of mortgage company tax payments, the Treasurer’s Office is unable to apply the Participant’s work hours to their current taxes due. Therefore, the Participant is responsible for ensuring that their mortgage company is paying their taxes on time. Please contact the Treasurer’s Office at 303-582-5222 if you have questions.
