

US FOREST SERVICE DISPERSED SHOOTING DECISION

COMMUNITY MEETING

THURSDAY, JULY 18, 6 - 7PM

**GILPIN COUNTY COMMUNITY CENTER
250 NORTON DRIVE**

The Forest Service has released the decision regarding limited closures to dispersed, recreational shooting in the Arapahoe & Roosevelt National Forests. This will be the third and final public meeting in Gilpin County to share the map and details of the decision.

Joining us will be:

Angela Gee, Boulder District Ranger

Scott Haas, Clear Creek District Ranger

Tom Kroening, Colorado Parks & Wildlife, NW Manager

Please note that the decision requires Gilpin County to build a 15-lane range before any of the closures go into effect. The closures do not restrict hunting.
