To Whom It May Concern:

Re: Nevadaville Historical Survey -

Gilpin County has hired *Eric Twitty and Deon Wolfenbarger* to conduct an intensive historical survey of 20 structures and 25 mining resources in the Nevadaville area. The survey will start in June 2014, lasting through to the fall. An open house meeting is tentatively planned for July 15, 2014 at 7:00 p.m. in the Gilpin County courthouse.

The long-term purpose of this survey is to identify significant resources in the area and create protections for those resources, while also creating a means to encourage appropriate development in the area.

Any assistance you can provide them would be most beneficial. If you have questions, please direct them to me at:
