

Sign Application

Name of Applicant(s): _____

(If anyone other than the owner is applying, the registered owner must sign this application or attach a letter of authorization)

Mailing Address (applicant) _____

Phone: _____

Fax: _____

LEGAL DESCRIPTION/Site Address: _____

PROPERTY OWNER Name _____
Address and Phone Number _____

THREE (3) Copies of a collated site plan which shows the following

- The proposed location of the sign(s)
- Location of any detached sign illumination
- Distances to surrounding driveways, buildings and parking areas
- Distance to the nearest property lines and roadway centerlines
- The width of the adjacent road surface

THREE (3) Copies of the collated plans, specifications and method of construction of the sign and its supports, showing proposed dimensions, height, materials, colors, proposed lighting and any other information required to calculate permitted sign area, lighting type, lumen count, light shielding, placement or other requirements of these Zoning Regulations.

.....

The property owner and duly appointed representative (if there is one) herein referred to as the applicant understands that this application must be complete and that the required non-refundable fee shall be paid upon filing. Any misleading and/or false information provided in this application would be grounds for revocation of the permit (if granted) and legal action by the County for the removal of subject improvement(s) approved for construction based on fictitious information provided by the applicant, and/or the assessment of fines on the property. Total processing time could take as great as 30 days once a complete application is received. The applicant also understands approval is only valid for a period of time not to exceed six (6) months from the date such approval is granted, after which time, if the sign has not been completely installed, the permit becomes null and void.
